SHELTERBOX AND ROTARY

ShelterBox and Rotary International are official partners in disaster relief.

On Friday 9th December, ahead of this year's World Human Rights Day, you can support this vital partnership by taking part in the ShelterBox Giving Day District Challenge.

Join other clubs in your District and work together to highlight that shelter is a human right.

It's time to act and work towards a world where no one is left without shelter following disaster.

TAKE ON THE CHALLENGE

The challenge is simple, encourage every club in your District to support our Giving Day. No matter how large or small, every donation makes a difference in providing emergency shelter to families worldwide.

BECOME A MATCHED FUNDER

Sign up as a matched club donor by making a minimum \$1,000 contribution before December 9th and be recognised on our website!

HOST A GIVING DAY EVENT

Plan a 'Shelter is a Human Right' event to raise funds for ShelterBox. Inform your community about your event on social media and in your Club newsletter.

ENCOURAGE CLUB GIVING

Challenge each club in your District to give to ShelterBox from their annual budget and help us on our mission to ensure no family goes without shelter after disaster and conflict.
